Rediscover Productivity

"We are so confident in the efficiency and performance of Arpac ProSeries LP stretch wrapper, we'll let you try it FREE for 2 years!"

— Jerry W. Murdock, President

What you'll get with the Arpac ProSeries LP Stretch Wrapper:

- Dual Speed Roll Carriage
- Built in Trouble Shooting Self Diagnostics
- Easy Load Film Saver
- All welded, heavy-duty steel construction
- Pre Stretch up to 300%
- Anti-Static Pre-Stretch Rollers
- Turntable jog control
- Up to 30 loads per hour

Here's the Deal:

If you purchase a minimum of two pallets of stretch film a month from IPS, you can use our high performance Stretch Wrapper for 2 years absolutely free. In other words, you get to use the best Stretch Wrapper and Stretch Film in the industry for 2 years, and all you pay for is the film! What's there to lose? Nothing!

Small Type Details:

IPS will provide free quarterly preventative maintenance. Any further service requirements are the responsibility of the customer. At the

conclusion of the two year period, you may purchase the stretch wrapper or we will take it back- no questions asked. Qualify for this special offer by purchasing a minimum of two pallets of stretch film, at a competitive price, from IPS Packaging.
