

World Leader in Sophisticated Packaging Systems**AS4H** Automatic Sidedrive 4 Tapehead**series overview**

The new BestPack® AS4H High speed fully automatic adjustable carton sealer with Continuous Flo tape head system is for non-stop high speed sealing applications.

The new Continuous Flo tape head system features four heads. When a tape head runs low on tape, or if a tape head fails, the system will automatically switch flow heads so that there is continuous non-stop flow. In the mean time, the system is still sealing cartons.

The new dual sweeper kicker system reduces the chance of the sealer missing a flap even if the flaps are parallel to the conveyor.

Combine all of the above with high speed motors, and you have a dependable high speed system for the most demanding applications.

major features

- *Continuous Flo tapeheads which allow for automatic replacement when tape is low or tapehead fails*
- *Adjustable Bed Height from 24.5" to 30.0"*
- *In-line Carton Closure*
- *Rugged Construction*
- *Operator Free Design*
- *Cost Effective*
- *Width/Height Adjustment on either side of Machine*
- *Tape Roll Lengths: 1000 yd., 1500 yd., 2000 yd.*
- *Heavy Duty Frame*
- *UL Approved Electrical Parts*
- *Designed for Uniform Carton Applications*
- *Capable of Interchanging 2" or 3" Tape Heads*
- *Electrical on/off box can be mounted on either side of machine*

standard features

- *High Speed Motor Upgrade (Up to 125 ft./mm.)*
- *Dual automatic flap folder sweeper.*
- *Continuous Flo four head tape system.*
- *Interlock gates.*
- *PLC driven system.*
- *Low tape/no tape warning light.*
- *Unique pressure sensitive tape heads with patented tab adjustment.*
- *Pop out tape heads.*
- *Locking heavy duty casters.*
- *Adjustable bed height.*
- *Maintenance free, oil-less air system.*
- *Bottom tape air blowers.*
- *Spare parts kit.*
- *Instruction/parts manual.*

World Leader in Sophisticated Packaging Systems

optional features

- *Compatible Indexer: ARX model*
- *Interlock Safety Gates*
- *Stainless steel*

Locking Castors

ARX Indexer

machine & carton specifications

- *Power Requirements: 110 Volts 60 Hz*
- *90 PSI, 4 - 6 CFM*
- *Speed: Up to 50 cartons/minute*
- *Tape Head: Standard: 2"; Available: 3"*

series comparison table

Model	Machine Dimensions	Carton Range	Cartons/Min.	Weight (lbs.)
AS4H 22-2 2" tape head	(97.6") x (39.9") x (56.5")	(7.9"-20.5) x (7.1"-14.5") x (7.9"-15.7")	Up to 50	1,034
