

tesa® Cloth Tape Assortment

Where Superior Performance and Unique Functionality Mesh

tesa® Mid-grade and Premium Cloth Tape Assortment

Where superior performance and unique functionality mesh

The tesa® line of performance-grade and premium cloth tapes offers a variety of unique properties that provide solutions for virtually limitless applications. From extreme temperature applications, to outdoor repairs requiring UV (ultraviolet) resistance, to flexo printing, the tesa® cloth assortment proves that cloth tapes go far beyond ordinary duct tape.

tesa® 4660 Printable Cloth Tape

tesa® 4660 is a unique, plastic-coated fabric tape that allows for flexo printing on the tape backing, making it ideal for marking electronic components, identifying parts, and cable marking.

Product Features

- High adhesion on almost every surface
- Weather resistant and waterproof
- Easy to remove
- Excellent printable surface
- High tensile strength
- Straight tear edges
- High-temperature resistance
- Available in white and yellow

Applications

- Marking of components
- Cable identification
- Die cuts

tesa® 4657 High-temperature Resistant Cloth Tape

tesa® 4657 is an acrylic, paste-coated cloth tape that is able to withstand temperatures as high as 356° F (Fahrenheit) for 30 minutes. Its resistance to aging and high temperatures makes **tesa® 4657** an ideal product for permanent hole covering and oven-drying applications.

Product Features

- High-temperature resistance – can withstand 212° F on a permanent basis; can withstand 356° F for 30 minutes
- Age resistant
- Residue-free removability
- High resistance to solvents
- Flexible and conformable
- Available with release liner
- Available in gray and black

Applications

- Applications that require repeated oven drying
- Permanent interior and exterior hole covering
- Masking during electrostatic powder coating
- Fastening of cables
- Heat resistant masking during manufacturing processes (window flange, etc.)
- Masking during treatments with solvents or other impregnating agents

tesa® 4671 Premium Cloth Tape

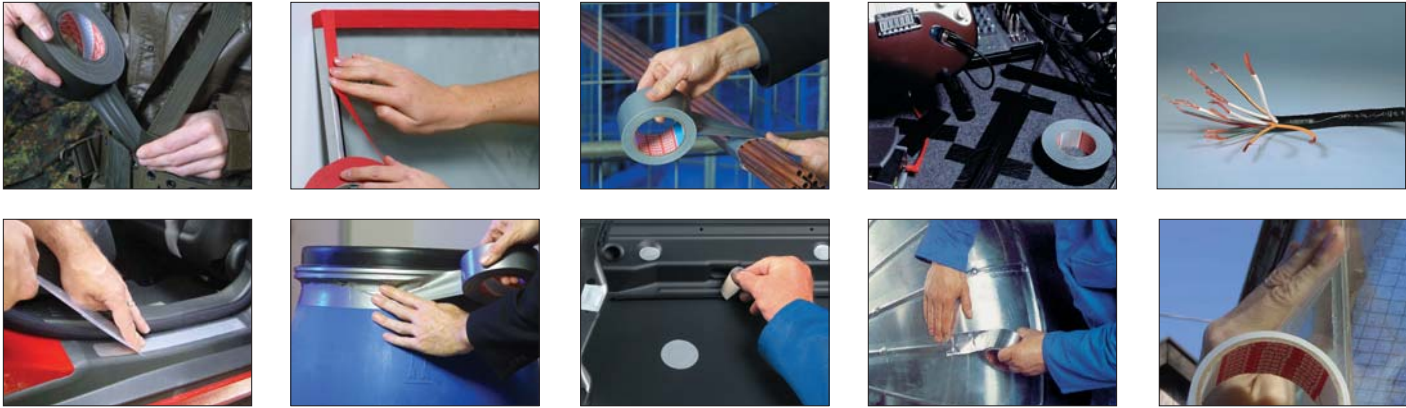

tesa® 4671 is a multi-purpose, acrylic-coated cloth tape with a 120 mesh (cloth strands per inch), woven rayon fabric backing, and natural rubber adhesive. Strong and conformable, **tesa® 4671** is unique from other cloth tapes because of its high-temperature resistance, and the fact that its backing can easily be written on.

Product Features

- Straight tear edge
- High tensile strength and low elongation
- Coated, flexible backing
- Matte, glare-free surface
- Residue-free removability
- Aggressive tack and high adhesion on rough surfaces
- Temperature resistance 266° F / 30 minutes
- Available with release liner
- Available in gray, black, and white

Applications

- Cabling
- Reinforcing book covers
- Sealing tins and tubes
- Bundling and reinforcing heavy pipes and profiles
- Floor marking
- Securing sharp edges
- Fixation of carpets during exhibitions

tesa® 4665 Outdoor Transparent Cloth Tape

tesa® 4665 provides UV and weather resistance for a full year, making it the ideal tape for all outdoor repair and bundling applications. Its transparent backing also means that it is ideal for all applications in which low visibility is important.

Product Features

- At least one year resistance to outdoor elements
- Transparent backing for (nearly) invisible repairs
- UV resistant
- Fast and easy application
- Hand tearable
- Conformable to complex shapes and rough surfaces

Applications

- Indoor and outdoor permanent applications
- Repairing glass panes
- Splicing foils
- Holding
- Patching hoses and pipes
- Heavy-duty packaging of outdoor, exposed goods
- Sealing applications
- Repairing greenhouses

tesa® 53949 Matte Gaffer Poly-coated Cloth Tape

tesa® 53949 provides glare and residue-free solutions. Its unique matte finish and special adhesive make it the right tape for a variety of needs, especially when a non-reflective surface is important.

Product Features

- Light-absorbing, non-reflective
- Good adhesion, even on rough surfaces
- Abrasion resistant
- Easy to tear by hand
- Waterproof
- Removable without residue
- Conformable
- Smooth

Applications

- On-stage/back-stage jobs in theatre, opera, cinema, and music halls
- Fixing cables on carpets, walls etc.
- Covering shiny and glossy surfaces
- Fixing cable links
- Sealing joints
- Floor marking and fixing

tesa® 4688 Multi-purpose Polyethylene Extruded Cloth Tape

tesa® 4688 is an excellent multi-purpose repairing tape with outstanding handling characteristics that make it convenient for a variety of applications. Its durability, adhesion, and hand tearability make it an ideal tape for a variety of everyday functions.

Product Features

- Strong adhesion, even on rough surfaces
- Easy to tear by hand
- Waterproof and age resistant
- Stiff but flexible with glossy surface
- Low unwinding force
- Available in seven colors

Applications

- Marking, masking, packaging, protecting, fastening, closing
- On-stage / back-stage jobs in theatre, opera, music halls
- Bonding of construction films
- Closing of cartons, tins, etc.
- Fixing wires
- Bundling cables
