RECYCLED CORRUGATE FRIENDLY

ADHESIVE TECHNOLOGY

"I NEED A TAPE THAT WILL SEAL EVERY KIND OF CARTON, ESPECIALLY RECYCLED CORRUGATE."

With more than 80% of boxes now containing recycled fiber content, changes in the fiber and composition of your cartons may impact the ability of your tape to adhere to it. IPG®'s NEW 1100 Carton Sealing Tape is designed to stick to every carton - especially recycled corrugate.
