

# Manual Water-Activated Tape Dispenser

## **TapeShooter® 404**

### **Sleek, Portable and Versatile Tape Dispenser**

With its sleek styling and small footprint, the TapeShooter 404 is an attractive sealing device that fits in well on any countertop. When used to dispense paper water-activated tape, such as BetterSeal Secure Tape, the lever-operated TapeShooter 404 simplifies many specialty sealing applications and ensures a secure, professional seal.

#### **Rugged, Reliable Sealing for Specialty Applications**

- Neighborhood food service establishments such as sandwich shops, pizza restaurants and bakeries
- Supermarket deli, seafood and meat counters
- Meat packing facilities
- Floral retailers and wholesalers
- Gift, mail order and specialty shops
- Mail rooms and packing stations
- Production, assembly and shipping workstations

#### **Professionally Seal a Multitude of Containers and Wrappings**

- Uncoated corrugated or cardboard containers
- White butcher wrap and freezer paper
- Corrugated wrap
- Kraft wrapping paper
- Void fill paper, such as Bogus paper
- Kraft and white literature mailers
- Uncoated pizza and floral boxes
