

Electronic Water-Activated Tape Dispenser

Better Pack® **500**

Simplicity & Efficiency in a Durable Design

The rugged Better Pack 500 offers straightforward operation and one-touch dispensing of reinforced and non-reinforced water-activated tape. Engineered for durability, ease of use and safety, this electronic, tabletop workhorse stands up to rough handling and harsh conditions in most work settings. Fast and reliable, the Better Pack 500 will improve the efficiency and speed of operations with medium- to high-volume packaging needs.

BP 500 shown with optional CodeTaper® 6 accessory

Simple and Straightforward

- Smooth-touch, tactile keypad for simple dispensing
- 14 preset lengths can dispense from 6 to 45 inches of tape at the touch of a button
- 2X key doubles any preset length
- Random key allows custom lengths up to 120 inches

Rugged, Reliable and Safe

- Steel side frame construction with durable ABS plastic covers
- Meets or exceeds UL, CE and CSA standards for operator and electrical safety
- Safety interlock switch disables cutting mechanism when cover is open, prevents worker injury

Fast and Efficient

- Dispenses tape at 45 inches per second for maximum productivity
- Large water bottle ensures less downtime, fewer refills
- Blade lifter allows quick clearing of debris from tape path without special tools

Maximized Tape Performance

- Urethane feed wheel eliminates gouging caused by metal wheels
- Three water brushes provide consistent, uniform activation of tape's adhesive
- Adjustable top heater warms water, optimizes integrity and bonding properties of water-activated tape

Electronic Water-Activated Tape Dispenser

Better Pack® 500

Options to Optimize Performance and Efficiency

Optional accessories further improve the performance of the Better Pack 500 and enable the packaging professional to work most efficiently. Plus, when reinforced water-activated tape, such as Better Pack Tape from Better Packages, is applied with the Better Pack 500, the end result is a seal that is consistently secure and cost-effective.

CodeTaper® 6 Accessory

- Custom imprinting increases security, tracking and branding
- Applies codes, date stamps, logos or taglines as tape is dispensed

Tape Aerial Accessory

- No need to wrestle with long lengths of tape—just grab and apply
- Creases tape for easier handling and placement
- Simplifies and speeds up the packaging process

Better Pack Tape™

- Ensures a secure, tamper-evident, professional looking seal
- Developed to maximize the performance of Better Pack dispensers

Specifications

Dimensions: 18.0" L x 12.0" W x 10.5" H
