

E-SERIES CASE ERECTOR

The Combi E-series case erectors are the foundation of Combi **case packing** systems and the key to our packaging equipment versatility. The E-series case erectors are all essentially the same machine, but in different size frames. This modular approach allows us to integrate any size case erector with any case loader, be it an **Ergopack**, **Drop Packer**, **Horizontal Loader**, or **Servo Pick and Place** packers, creating custom case erectors.
