

TACH-IT[®]

Ben Clements and Sons, Inc.

We Offer Solutions for Productivity.

Model # PDL Series: Mechanical Label Dispensers.

- Available in 7 widths up to 24" (see below).
- Perfect for use in shipping rooms, retail, office, manufacturing, food service and anywhere labels are needed.
- For single or multiple roll use.
- All Steel Construction.
- Keeps label rolls organized, avoids loss of money due to label waste and is easy to use, just pull the liner of the label to be dispensed.
- Fully portable - Small bench top design.
- Dispenses virtually any die-cut or butt-cut label.
- Large 7" maximum roll diameter and can be used with any core size.

PDL Style #:	Maximum Liner Width:	Included Separators*:
PDL-2:	3" (76 mm)	0
